Describe work being performed: _____ **TOTAL FEES: \$** _____

VALUATION: \$ _____

Residential permit expiration is per the Code of Ordinances, Ch. 14, Art. XIII, Div. 2, Sec. 14-352. Commercial is per the 2012 IBC Sec. 106.3.3. No refunds, non-transferable. All fees will be doubled if work commenced before permitting, as allowed by the IRC Sec. R108.6, IBC Sec. 109.4 and as required by Sec. 14-214 (a). **It is incumbent upon contractors to ensure that new equipment – vs. replacement work -- is placed > DFE (Design Flood Elevation), which is 18" above BFE, in areas of special flood hazards, as per the 2012 IRC Sec. 322, IBC Appendix G and ASCE 24-05. By signing below, I'm affirming that I have read & understand the City of Jersey Village's Plumbing Code requirements (including local amendments & ordinances)**
