Describe work being performed: _____ **TOTAL FEES: \$** _____

VALUATION: \$ _____

*Residential permit expiration is per the Code of Ordinances, Ch. 14, Art. XIII, Div. 2, Sec. 14-352. Commercial is per the 2012 IBC & IMC, Sec's. 105.5 & 106.3.3, respectively. No refunds, non-transferable. All fees will be doubled if work commenced before permitting, as allowed by the IRC, IBC & IPC, Sec's. R108.6, 109.4 and 106.5.1, respectively, and as required by Sec. 14-214 (a). **It is incumbent upon contractors to ensure that new equipment, appliances and appurtenances are placed > DFE (Design Flood Elevation), which is 18" above BFE, in areas of special flood hazards, as per the 2012 IRC Sec. 322, IBC Appendix G, IMC Sec. 301.16, and ASCE 24-05. By signing below, I'm affirming that I have read & understand the City of Jersey Village's Plumbing Code requirements (including local amendments & ordinances).***
